Parent Boards

There are Parent Boards in the conservatory. Leaflets on these boards are for you to take.

Please feel free to post information you may want to share, eg things for sale, notice of events, etc. Just check with your class teacher!

Parent and Child Together

We regularly offer things for you to do with your child.

In September and October we would encourage your family to adopt a tyre or window box in the school and plant it with winter flowers and bulbs for the spring. Please speak to your child's teacher if you want to participate.

Parent and Toddler Group

Over the past few years we have very successfully HOSTED a Parent and Toddler Group in school between 2pm & 3pm. This will restart on Thursday 29th September.

Parents and their baby or toddler are welcome to come and enjoy our facilities and the company of others. We ask for £1 to cover the cost of tea/coffee/juice per session.

Please remember to make sure your child has had lunch before coming to the part-time PM session. We appreciate it may be an early one.

Health Promotion

We are a Health Promoting School. Each month we will highlight an issue we feel is important for good health.

This month we are teaching the children to wash their hands: -

- after sneezing or using a tissue
- after using the toilet
- before eating food, and
- after coming in from playing outside.

Eco Thought for the Month

Parent Meeting

Tuesday 27th September

at 2.45pm or 8pm

for approximately 30 minutes

Parent meetings are a time for parents to meet up socially and get some answers to questions you may have. Also, we will tell you about the Nursery School Year.

If you have any questions for the Principal to try and answer, please write them down and either give to a staff member or put in the yellow Parent Comment Boxes (which are in the conservatory).

Questions like: -

- What does the £10 each month buy?
- What will my child learn while at Nursery School?
- Will the Nursery School promote healthy eating?
