Footwear

As we spend more time outdoors climbing and jumping, we have to insist that you check your child's footwear.

Are the soles rubber? If NOT please purchase rubber soled shoes. Plastic soles will slip and are dangerous on our equipment.

Do the shoes stay on? We have noticed some shoes fall off—this has obvious consequences!

High fashion shoes are not practical. Ask yourself questions like: -

Are these shoes easy to take off and put on?

Will my child be able to run and climb in these shoes/sandals?

Congratulations

A dad, who is a dentist, came in to school to see the children's teeth. He was delighted to report that 95% of the children had teeth in excellent condition. He put this down to parents brushing their children's teeth twice a day, not drinking too much fizzy drinks and limiting sweets to particular days.

Well done and continue with the good work.

Parent & Toddler Group

Our Parent & Toddler group stops on Thursday 7th April and will re-commence on Thursday 12th May at normal times of 2—3pm.

Parents and their baby or toddler are welcome to come and enjoy our facilities and the company of others. We ask for £1 per session to cover the cost of refreshments.

Eco School

We will assess ourselves for our Silver Eco School award. Our school slogan is "Reduce, Re-use, Recycle".

The following are things we could re-use and recycle for you: -

- Cloth material / old sheets / old table cloths
- Old tea pots & saucepans
- Dressing up shoes, both ladies and gents. Old handbags.
- Hats - both ladies and gents
- Old birthday / Christmas cards

If you would please ensure they are free from obvious dangers and are relatively clean we would appreciate it.

As we use our "Eco" shopping bags we no longer have plastic shopping bags to use. If you have any plastic bags at home we can re-use them.

We hope you enjoyed your mini daffodils for Mother's Day and trust you will plant them in your garden. Then you can enjoy watching them bloom year after year.
