A reminder that we are running a Flat Pack for Dads parenting course after Easter. This will run for 4 weeks on Thursday evenings 7–9pm, starting 12 May, facilitated by Parents Advice Centre. There are a few places available. If you feel you want to join this group please give your name to a member of staff.

Library Book Bags

We have lost lots of our Library Bags! Please look at home if you have any and bring them into school. Thank you.

Old Clothes

As you clear out old clothes that are too small for your children, please bring them into school. We need **trousers**, especially boys, **pants**, **socks**, **t-shirts** and **jumpers/fleeces**.

NSPCC

Joan, from NSPCC, came to school and talked to the children about dealing with strangers.

We teach the children to say “No”, holding their hand up, when they do not want to be involved in play or other activities. This tactic can be used if a stranger should approach them.

Please can you reinforce this very important message with your children.

PIRATE DAY

Pirate Day will be on Friday 20th May. Children will find a treasure box, provided by the Library Services for all children moving to P1 in September.

We would ask therefore that children moving into P1 in September from the PM session, come to school on Friday 20th May from 9am - 12noon.

DAYS AWAY

Just some suggestions of things you could do with your family.

Castlecoole are having an Easter Egg hunt, watch local press for details.

Rosserry Parish Church are holding a Bible Reading Marathon, see the leaflet on the Parent Board.

If you do any activities please remember to collect something for your child’s treasure box and bring the box into school after Easter so all their friends can see it.
