## THE KEY TO THE GREAT OUTDOORS

We have produced a booklet for you and your child to enjoy the Outdoors Together.

The booklet suggests that you can collect things from the great outdoors. These can be put in the " My Box" and brought into school to be admired.

As you do any of the booklet bring it in to be admired as well.

## CHARITY

As a school we have supported a young girl with hearing difficulties in Malawi, Central Africa. Some of the Nursery Fund money will be paying for Grace to attend her school.
