Dear Parents

Each month we issue a Nursery Times. This is your chance to keep up-to-date with all that is going on in Nursery School.

It will give you the songs and rhymes we are teaching in school. This means you can sing and say these with your child at home, in the car or at bath time!

We want children to share things they are interested in. Please let your child bring in things from home in their "My Box". Remember, we want everyone to handle these things and share them with others.

Staff from time to time need to be out of the classroom to attend further training. This may involve a whole day or part of a day. If this happens a substitute teacher or nursery assistant is in place. When staff are on an In-Service course we tell the children they are at 'big school' learning something new, introducing the idea of life long learning.

The Nursery Times will be published fortnightly. We will include thoughts and comments for you to consider.

We are all looking forward to the year ahead and working with your child and yourselves.

With thanks

J Boyd
